

The Drawing Room

The Drawing room has a beautifully restored oak floor and a splendid marble fireplace, with three large windows overlooking the front lawn and parkland.

It is ideal for either business meetings, parties or funeral wakes, and can be hired in conjunction with either or both of our other function rooms, the Morning and Panelled rooms.

The Castle Room

A fascinating room, full of character, the Castle room was originally part of a medieval tower which was thought to have been built around 800 years ago. It has Commonwealth panelling, with an antique chaise longue, armchairs, and a real log fire. We can light the log fire if you require it. There are views of lawns and parkland from the large Georgian windows.

The Castle room is bookable by the day, half day or by the hour, and is ideal for informal meetings, discussions or interviews (up to 6 people). For those booking a wedding at Strelley Hall, this room is included in the package and is often used as a dressing room or quiet room.
